

# Exercise Four

4.1 Create a form-like Report using all the columns from the table Club\_65 except for the audit columns, C65\_CREATED\_BY, C65\_CREATED\_DATE, C65\_UPDATED\_BY, C65\_UPDATED\_DATE. Use a Form Layout. Add a bookmark to the C65\_ADDRESS\_POSTCODE column using PL/SQL. View the report in the web browser and it should look as follows. Save as c:\course\ex4\_1
