The screenshot shows the Oracle Technology Network website. The main content area is titled "Java SE Development Kit 8 Downloads". It includes a welcome message for Julian, a search bar, and navigation links for Products, Solutions, Downloads, Store, Support, Training, Partners, and About. The page is categorized under "Oracle Technology Network > Java > Java SE > Downloads". The main content area has tabs for Overview, Downloads, Documentation, Community, Technologies, and Training. The "Downloads" tab is selected. The main content area contains the following text:

Java SE Development Kit 8 Downloads

Thank you for downloading this release of the Java™ Platform, Standard Edition Development Kit (JDK™). The JDK is a development environment for building applications, applets, and components using the Java programming language.

The JDK includes tools useful for developing and testing programs written in the Java programming language and running on the Java platform.
