

Exercise Three

3.3 Select location id and name from store locations when the location name is either Dover, Hyde or Penrith

Location	Name
104	PENRITH
96	HYDE
91	DOVER

Exercise Three

3.4 Limit the Locations to those starting with a 'P' and ending with a 'H'

```
Location  Name
-----  -----
      104  PENRITH
      99  PORTSMOUTH
```

3.5 Select location id and name from store locations where the parent location id does not exist. ie where the parent location id is null.

```
Location  Name
-----  -----
      1  WEST NORWOOD
```
