

Exercise Six

6.1 Create a view called Product_Sales_1995. Select the columns from the following tables and join them ...

Products_Group.Pgr_Group_Name

Products.Pro_Product_Name

Products.Pro_Price

Products_Sales.Pss_Transaction_Date

Products_Sales.Pss_Number_Of_Units

Products_Sales.Pss_Sales_Number

Display the Total Value of each record.

Limit records to only sales made in 1995.

Order by pss_transaction_date.
